

TO WHOM IT MAY CONCERN

Frank Rijkaard, footballer and professional trainer for more than 30 years and winner of 3 European Champions League as a soccer player and 1 as a Head Coach,

I certify that Carles Cuadrat worked under my orders in the Galatasaray sports projects of Istanbul and the Saudi Arabia National Team , between the years 2009 and 2013.

In all this time, Carles Cuadrat showed very good professionalism and ability to work, and that is why I have no doubt that the clubs interested in signing him will be pleased to be able to have him in his squad.

Amsterdam, 1st June 2018
